

29th May 2024 NHP working party meeting notes

Following the meeting held last week, please find below a brief outline of next steps. As mentioned previously it would be good to sign off on the plan on Wednesday so we can move things along.

Nicola to do another grammar check for the PC to sign off on the plan at the June 5th meeting. (Done)

Once signed off send to Ian for Ian to check again and send off to his desktop publisher.

Once Ian is happy with the published copy he will send back to us for a final sign off on the printed document.

We need the document back to Ian a least 10 days prior to the drop in event so he can get a small number of copies printed off for viewing at the drop in/loaning out.

In the meantime a 4 page leaflet, Ian to organise, advertising the drop in and giving an outline of the Plan will be delivered to all the homes in the village.

Drop in for 8 weeks starting Friday 12th July and Saturday 13th July will begin, subject to hall availability. Consultation ends 7th September. TBC.

Comments back from the plan need to be analysed by Ian, once we have input any paper copies.

Ian will produce a table, PC need to sign off on comments and recommended changes to Plan arising from consultations.

Plan updated by Ian and sent off to West Suffolk along with all other supporting documents.

WS will then go out for a six week consultation, WS do work but we will need to make plan available.

Those who have ask to be kept updated (in the comments previously) will be contacted by WS.

Plan then sent to independent examiner (the appointment of which we have a say in) who identifies any changes we need to make and Ian updates to reflect any changes to bring the plan up to date.

Then the plan goes to referendum, organised by WS.
